BLUE MOOSE LOCAL FAVORITES

Having lived in the Vail Valley for well over 20 years now, our family has developed some local favorites that we thought we would take this opportunity to tell you about. This is not a paid endorsement but simply some of our favorite local and not so local businesses. We figure that if you like us here at the Blue Moose you will also like these folks....

— VAIL & VAIL VALLEY —

Located next door to us are our good friends at the **Vail Chophouse (477-0555)**. This space provides the perfect après stop for incredible Slopeside views and great entertainment provided by our good friend Phil Long. In Vail, if you have not been to **The 10th (754-1010)**, located at Mid-Vail, you have not truly experienced 100% of Vail. Open for lunch and dinner daily, this stop offers spectacular mountain views and is a must do while visiting. From the creators of the legendary Sweet Basil, comes a fresh, innovative restaurant **Mountain Standard (476-0123)**. Aptly named, this relaxed tavern is great for a cold cocktail or a hot meal prepared over an open wood fire. Looking for a truly magical evening? For a taste of the best of Vail's nightlife, located at the top of Bridge Street, stop by the **Red Lion (476-7676)** and say hey to our good friends. Red Lion's live music has entertained Vail visitors and locals alike for the past 20 years.

Outside of Colorado here are some of our friends that we think are worth a visit...

— OUT OF STATE —

If you're heading East don't miss **Flo's in York, Maine** – The best hot dogs ever, **The Black Birch, Kittery, Maine**, and **Wild Willies** also in **York, Maine** for a great burger. They have all become family favorites! When visiting the lovely **Florida Keys** be sure to stop by our two favorite spots in **Islamorada** and say hello to our great friend Hubert Baudoin. Take a long lunch at the wonderful **Morada Bay Beach Cafe** and enjoy the scenery and great service. Or better yet, have dinner at the amazing **Pierre's** right next door, possibly one of the most beautiful places in our country for dinner and a sunset.

— OVERSEAS —

And if you are travelling overseas and ever make it to **Monterossa, Cinque Terre, Italy** stop by and see **Eliseo** at his **Wine Enoteca** by the same name. Right in the middle of the old village – he has the perfect little world – small, quaint, great prices for great drinks and wine, we recommend the limoncello. And finally, if you are ever lucky enough to make it to our sister city, Lech, Austria, do not leave town without visiting our great friends Clemens and Nicole at the **Lecher Stube** or their bakery the **Backstube** – but come ready to indulge as Clemens Walch's baked goods are impossible to resist!

Thanks for eating at the Blue Moose and for supporting the Vail Valley, we hope that you enjoy your time.

– Brian, Pat & Wil Nolan

*P.S. Are you by chance visiting from Seattle?
We have a care package we want to get to Wil at UW!*
